In the upcoming year Beatitudes Campus will make the following community outreach efforts:

- Town Hall – monthly

Public Meetings:

- (1) Public meetings are scheduled to increase the opportunity for attendance by stakeholders and the general public. This may require scheduling meetings during non-traditional business hours, holding more than one meeting at different times of the day or on different days, and checking other community activities to avoid conflicts.
- (2) When a public meeting or public hearing is focused on a planning study or program related to a specific geographic area or jurisdiction within the region, the meeting or hearing is held within that geographic area or jurisdiction.
- (3) Public meetings are held in locations accessible to people with disabilities and are located near a transit route when possible.

Limited English Proficiency Plan

Beatitudes Campus

Limited English Proficiency Plan

Beatitudes Campus

Beatitudes Campus has developed the following Limited English Proficiency Plan (LEP) to help identify reasonable steps to provide language assistance for LEP persons seeking meaningful access to Beatitudes Campus services as required by Executive Order 13166. A Limited English Proficiency person is one who does not speak English as their primary language and who has a limited ability to read, speak, write, or understand English.

This plan details procedures on how to identify a person who may need language assistance, the ways in which assistance may be provided, training to staff, notification to LEP persons that assistance is available, and information for future plan updates. In developing the plan while determining the Beatitudes Campus's extent of obligation to provide LEP services, the Beatitudes Campus undertook a U.S. Department of Transportation four-factor LEP analysis which considers the following:

- 1) The number or proportion of LEP persons eligible in the Beatitudes Campus service area who may be served or likely to encounter by Beatitudes Campus program, activities, or services;
- 2) The frequency with which LEP individuals come in contact with an Beatitudes Campus services;
- 3) The nature and importance of the program, activities or services provided by the Beatitudes Campus to the LEP population; and
- 4) The resources available to Beatitudes Campus and overall costs to provide LEP assistance. A brief description of these considerations is provided in the following section.

A statement in Spanish will be included in all public outreach notices. Every effort will be made to provide vital information to LEP individuals in the language requested. Beatitudes Campus has a translation service available, LTC Language Services. Call Cheryl Knupp at 602-995-6111 to request service.

Safe Harbor Provision

Beatitudes Campus complies with the Safe Harbor Provision, as evidenced by the number of documents available in the Spanish language. With respect to Title VI information, the following shall be made available in Spanish:

- (1) Title VI Notice
- (2) Complaint Procedures
- (3) Complaint Form

In addition, we will conduct our marketing (including using translated materials) in a manner that reaches each LEP group. Vital Documents include the following:

- (1) Notices of free language assistance for persons with LEP

- (2) Notice of Non-Discrimination and Reasonable Accommodation
- (3) Outreach Materials
- (4) Bus Schedules
- (5) Route Changes
- (6) Public Hearings**

Non-elected Committees Membership Table

A subrecipient who selects the membership of transit-related, non-elected planning boards, advisory councils, or committees must provide a table depicting the membership of those organizations broken down by race. Subrecipients also must include a description of the efforts made to encourage participation of minorities on these boards, councils, and committees.

Beatitudes Campus does NOT select the membership of any transit-related committees, planning boards, or advisory councils.

Title VI Equity Analysis

A subrecipient planning to acquire land to construct certain types of facilities must not discriminate on the basis of race, color, or national origin, against persons who may, as a result of the construction, be displaced from their homes or businesses. “Facilities” in this context does not include transit stations or bus shelters, but instead refers to storage facilities, maintenance facilities, and operation centers.

There are many steps involved in the planning process prior to the actual construction of a facility. It is during these planning phases that attention needs to be paid to equity and non-discrimination through equity analysis. The Title VI Equity Analysis must be done before the selection of the preferred site.

Note: Even if facility construction is financed with non-FTA funds, if the subrecipient organization receives any FTA dollars, it must comply with this requirement.

The Beatitudes Campus has no current or anticipated plans to develop new transit facilities covered by these requirements.
