Dear Beatitudes Strong Team,

Over the past several weeks, we have come together for our residents and each other in extraordinary ways. You have adjusted plans, policies and procedures to protect the Beatitudes community. You have gone out of your comfort zone to make things happen. This entire experience will leave an indelible impact on all of us. We will get through this together and be a better and stronger organization as a result of it. With a history that spans 55 years, Beatitudes Campus has persevered through many challenges, but none quite like the coronavirus pandemic that we are experiencing right now.

You continue to impress me every day with your ability to adapt and respond to this ever-changing situation. You come to work every day, roll up your sleeves and dig right in to serve our residents. As I said last week, we are not only in a sprint marathon, but a sprint marathon RELAY. Our success today depends on the entire team working together, passing the baton to the next team member and getting ready to take the baton again.

Your Beatitudes Strong Award will be deposited into your bank account tomorrow (April 16)! It's in appreciation of your service, dedication and commitment to our mission.

Thank you for being the awesome group that you are.

My best,
