All submittal methods will result in the Customer Relations department receiving the complaint information and entering it into the customer comment data base, which documents every complaint received and all related follow-up activities. Customers with an ADA-related complaint will receive a complaint confirmation/tracking reference number, usually within the same day but no later than ten (10) business days from the day Beatitudes Campus receives the complaint. If the customer does not receive a response within the ten (10) day timeframe, he or she can call the Senior Vice President of Health Services, Human Resources and Risk Management at 602-995-2611 to obtain the confirmation/tracking reference number.

Responsible Beatitudes Campus operating divisions or administrative departments investigate all complaints and implement any corrective actions to be taken. Complaints involving ADA or accessibility elements receive an additional review by Cheryl Knupp after the investigation has been completed. After the ADA Compliance oversight review has been completed, Customer Relations will provide a written reply to the customer, to the contact address provided, within ninety (90) days of receiving the complaint. All complaints are investigated within a few weeks,

but some may require more extensive investigation, or require more time to identify corrective measures. In any case, a written reply will be provided to the customer within ninety (90) days.

Whether our customers are submitting complaints about service problems or sharing a great experience, we welcome the opportunity to be of service.
